CBSE MS EDITION

August 2024

Message from the Head of the School

Dear Parents,
Welcome back to our celebratory Year 10 at The Gaudium School.

The month of August began with the Investiture of the Student Council of 2024-25, swearing in the Junior and Senior Council members who will work as an integral part of the school community, and interface between students and teachers as well as be the ambassadors of the school philosophy of Global Leadership. We wish our Student Leaders a productive and satisfying year ahead. The Student Leadership camp at school, conducted by Capt. Mohit Tomar gave rise to various reflections on duties and responsibilities as well as experiential learning.

A whopping number of 200 members of the school community went for a trip to Trivandrum, especially to see the rocket launch at ISRO on 22nd August. The students were mesmerized by the split-second launch that had taken such humungous efforts and resources to catapult into space. We wish India's space research many more accomplishments in 2024.

The Career Cell and ILD Cell led the educational trips of senior students to Woxsen University and the Government Mental Health Centre, Vikaspuri, Erragadda. Meeting parents and students on a regular basis for career guidance on the 'right fit' choices for the future ensures that the school ably handholds the soon to graduate students on their journey of higher learning.

The PYP students enjoyed the field trips to the Traffic Park and the Birla Planetarium and Science Museum. We warmly thank our 'Talking Titan' parents for sparing their valuable time and inputs to share their stories and experiences with the students. Bringing reality into our classrooms.

It is a matter of great pride and honour to commemorate National Sports day at school, in the memory of Hockey legend Shri Dhyhan Chand, and we use this opportunity to felicitate our students who have accomplished laurels at the International, National and State level sports, and the coaches who helped them get there.

We are delighted to have bestowed scholarships on our board toppers who are continuing in Senior School, as well as our Sports Champions across Gymnastics, Skateboarding, Chess and Tennis. Our students, gritty as they are, are managing a rigorous academic curriculum along with a rigorous sports schedule! Bravo! The month of September has much in store as we continue our Year 10 celebrations, and we seek your support in all our endeavours as our active partners in progress.

Thank you,

Ms. Sudeshna Chatterjee
Head of School

Message from the Coordinator - CBSE MS

Dear Readers,

This month has been a testament to relentless effort and perseverance—qualities we hold dear as we remember the sacrifices made during our independence struggle. To honor this, our Social Science teachers organized a special event, Lest We Forget, where Grade VI students proudly took part in a ramp show, dressing as our freedom fighters. Simultaneously, students from Grades VII and VIII engaged in a creative poster-making activity, showcasing pivotal moments from India's history.

We also held an interhouse competition, Echoes from the Bygone Eras, where each house delivered captivating performances, bringing to life key moments from our nation's freedom struggle. Additionally, our Grade VI students experienced their first periodic test, a written assessment that introduced them to the process of structured exam preparation.

Our students have been hard at work preparing for the Student-Led Conference, where they presented projects that highlight their learning and art integration.

This month also featured an enriching four-day educational trip to Kerala, where students witnessed a rocket launch at ISRO, visited the Jatayu Earth Center, the

Planetarium, and explored local crafts emporiums. These experiences provided them with a deep understanding of science and the cultural richness of Kerala

As we move forward, our middle school students are now gearing up for their first term examinations. We wish them the very best in their preparations!

Ms. Anita Sreejit
CBSE MS Coordinator

Holistic Excellence

Students of VII were taken to Chemistry lab to show the properties of different solutions whether they are acidic, basic or alkaline and even using pH paper. This activity provides hands-on experience to the students.

English: Grade-VI

The grammar topic of **Types of Sentences** was reinforced and well comprehended by the students with the help of an interesting activity wherein they immersed themselves into their favourite characters and uttered the four different types of sentences(Declaratives, Interrogative, Exclamatory and Imperative) likely to be spoken by those character.

Holistic Excellence

Design a Handloom Souvenir contest was a fantastic opportunity for students to showcase their creativity. It was a profound expression of creativity and skill, the essence of craftsmanship that lies in the meticulous attention to detail and the passion of the creator. Students brought their own material to create a souvenir product using Indian handlooms. The students participated enthusiastically and came up with different creative ideas.

Core Values

78th Independence Day Celebrations: As part of our 78th Independence Day celebrations, the CBSE Middle School Segment recently hosted an inspiring “Ramp Show” featuring our talented Grade VI students, “Lest we forget” by Grade VII and “Unity in Diversity” by Grade VIII. This event was a tribute to the unsung heroes of the Indian freedom struggle—those courageous individuals whose contributions were crucial in securing the nation’s independence but who often remain in the shadows of history.

Core Values

National Sports Day celebrations at our school promotes physical fitness and teamwork. Students participated in various sports activities, fostering a spirit of healthy competition and highlighting the importance of an active lifestyle.

Independence day Celebrations - The school marked Independence Day with a vibrant and patriotic celebration. The event began with the hoisting of the national flag, followed by a moving rendition of the national anthem. Students participated in a variety of cultural performances, including traditional dances, patriotic songs, and heartfelt speeches that paid tribute to the nation's history and freedom fighters. The highlight of the day was the awards ceremony, where students were honored for their exceptional achievements in academics, sports, and extracurricular activities. These awards recognized their hard work, perseverance, and commitment to excellence. The day was a blend of pride, joy, and inspiration, leaving everyone with a renewed sense of patriotism and a commitment to contribute positively to the nation's future.

Core Values

Assembly by Humanities team - The Humanities team led a memorable Independence Day assembly, celebrating India's history and freedom with inspiring speeches, cultural performances, and patriotic songs, instilling pride and unity among students.

Mindfulness and Wellbeing

Mindfulness activities in the class promote focus, emotional regulation, and stress reduction. Through guided exercises, students cultivate awareness and calm, enhancing their overall well-being and academic performance.

Global Leadership

Sai Manas Tanuj Dandala, from Grade VII CBSE- from our school participated in the **World Robot Olympiad (WRO) 2024** Regionals held in Hyderabad. Tanuj along with his two teammates displayed remarkable teamwork and enthusiasm at the Competition. The team was known as LI Autobots. Tanuj and his team secured the 2nd position at the WRO Regionals 2024. As a result, they got selected to participate in the WRO Nationals to be conducted in Delhi NCR in October. This is a remarkable achievement, considering stiff competition from 10 teams from across Hyderabad. The encouragement and support provided by his mentors, parents and school helped in nurturing his skills and boosting her confidence. Congratulations to Tanuj on his outstanding performance at the WRO 2024 Regionals. He is currently practicing diligently for the WRO Nationals.

WWF competition- The school recently hosted a WWF competition, where students participated in a challenging test to demonstrate their knowledge of environmental conservation and wildlife protection. The event aimed to raise awareness and encourage students to take an active role in preserving our planet. The participants showcased their understanding and passion for these important issues, making the competition a great success.

Global Leadership

ISRO TRIP - The ISRO trip gave students a firsthand experience of India's space exploration achievements, inspiring interest in science and technology. They learnt about satellite development and space missions, igniting curiosity and ambition.

The TGS MUN (Model United Nations) engaged students in global diplomacy and debate, enhancing their understanding of international issues. It fosters critical thinking, public speaking, and collaborative problem-solving skills.

Global Leadership

Investiture Ceremony

The Investiture Ceremony formally appoints student leaders, fostering responsibility and leadership. It's a significant event where students pledge to uphold school values, guiding their peers with integrity and dedication.

Global Leadership

The Middle School Inter-House Drama Competition, "**Echoes from the Bygone Eras,**" was a scintillating presentation of India's most important freedom struggles. The four Houses, Griffins, Pegasus, Dragons, and Sphinx, presented their mesmerizing performances on the themes: 1857 Sepoy Mutiny, Jallianwala Bagh Massacre, Dandi March, and Quit India Movement, respectively. It was Griffin's House that took the First prize with a brilliant performance, beautifully blending the aspects of mime, expressive dances, and an effective play to portray, vividly before the audience, all of the sacrifices and acts of courage of Indian patriots. Their creative presentation spellbound the audience, and they took the much deserving top spot in this memorable event.

Global Leadership

Skills - Robotics and Coding classes

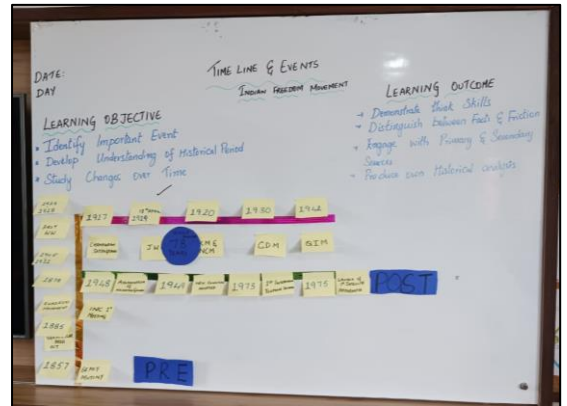

Robotics and Coding classes enhance problem-solving and critical thinking skills, fostering creativity and innovation. Students learn to design, build, and program robots, preparing them for future technological challenges.

Global Leadership

Global Citizenship (Skills) - NEP 2020 envisions nurturing global citizens; hence, let us understand what global citizens look like in the real world. As part of the global citizenship life skills program, a group activity was conducted in CBSE Grade VIII. By making students aware of global citizenship, they become more respectful towards people and their diverse cultures.

The **Social Science Collaboration Meet** brought together educators to discuss innovative teaching strategies, foster interdisciplinary connections, and enhance student engagement, aiming to enrich the overall learning experience in Social Sciences.

Stakeholder Engagement

Student Led Conference (SLC): On Saturday 31st August 2024, the students of CBSE Middle school organised a student-led conference under the guidance of their teachers. The teachers, together with their students, demonstrated their involvement and determination through active participation in various subject-related projects and presentations. The students found ways to investigate and present new ideas and also to apply their knowledge to varieties of subjects. They created projects in the form of trifolds, models, and charts that included science experiments and historical research, creative writing, and mathematical modelling, which exemplified, in addition to the depth of understanding, the learning interest and enthusiasm.

Parents were very pleased with their ward's performance, and they also thanked the school for creating an environment that is very conducive to the children's strong growth in confidence and enthusiasm.

Stakeholder Engagement

The Art Integration Exhibition showcased vibrant projects and models highlighting the rich cultures of Haryana and Telangana. Students creatively presented the diverse traditions, art forms, and heritage of these states through innovative displays. Parents were treated with the mesmerising Hariyanavi and Telugu dance performances, songs and drama enactment of The Sepoy Mutiny and The Protest of the Farmers of Haryana. This provided a rich opportunity for students as well as the teachers to explore ways to integrate different subjects into different art forms. The exhibition served as an educational platform, fostering appreciation for India's cultural diversity while exploring and encouraging creativity and collaboration among students.
