Dec 24' – Jan '25

Message from the Head of the School

Dear Parents,

December and January were stunning culminations of our Year 10 celebrations- The Annual Programme and The Road Safety Run for the Gaudium community.

We commemorated the mystic '10' by encouraging our Pre-schoolers to delve into the secret powers of nature and its implicit principles to maintain harmony in its diversity. Our little students extolled the capacity of nature to sustain and heal and gave us the message of

following nature's principles for a healthy and happy life. This was entitled "Dasa Neeti".

The students of Grades 1-2 laid bare the impressive lives of ten role models and changemakers whose contributions to the world were vastly transformational- we are talking about Mother Teresa, Mahatma Gandhi, Charlie Chaplin and other such greats. What impressive performances, songs and dances were put up by our students! This was "Dasa Prernayey"

Grades 3-5 took us on a global journey in 'Dasa Dishayen' and dived into the socio- economic and environmental practices and beliefs of indigenous tribes, who are still striding two realities-between the need for development and industrial growth and its impact on their traditions and culture. We looked through their eyes at climate change, loss of biodiversity, the hazards of deforestation and rapid urbanization on ancient tribes with rich legacies at stake. How perfect the message on creating learners without borders.

Message from the Head of the School

Middle and Senior school brought out the inherent and universal morals in our scriptures and texts that directed man in early society (also completely relevant today) to live non-corrupt, non-aggressive lives, compatible with fellow humans and nature. This was the unfolding of “Dasavatara’ through the common dilemmas of our youth today. We hope our adolescents and teenage students find their interpretation through the metaphors extolled with song and dance, to live more meaningful lives, with a clear sense of self identity and the empowerment of ‘choice’.

The Run for Road Safety brought together the Gaudium Community, with students, parents and staff running 10K, 5K and 2K supporting responsible behaviour and action on the roads. As a school strongly supporting family values, we brought our community together to support safety on our roads. Thank you for being a part of the run.

As we count our days to the Cambridge and CBSE Board examinations, we pray for serenity and equanimity in our students and appeal for the composure and loving support of our parents towards children facing their public examinations. Patience and perseverance are key.

May the Almighty shower blessings on each of you and your family in this splendid New Year.

Sudeshna Chatterjee
Head of School

A message from HS Associate Coordinator

Dear Students,

Its again that bittersweet time of the year when you are racing to complete your projects, record books, practical's, experiments, viva etc, while preparing for your examinations that will lead to the culmination of an academic year. Your hard work, resilience and perseverance will be put to a test literally and metaphorically.

I wanted to share that last week I was given a Hershey's chocolate bar and it made wonder about its origin. And it led me to the story of the founder's struggle before the sweet treat became a household name globally .

Hershey's chocolate, the beloved confection firm known for its chocolate bars and kisses was established by Milton Hershey in 1900. Milton Hershey, an apprentice was fired from a printing job, he however didn't let setbacks get in the way. He worked diligently perfecting his core ingredients and dusted himself off again and again even when he was on the verge of bankruptcy.

It took three failed candy companies before Milton got it right with his brand of Hershey's. He brought the milk chocolate to the common folks and left a legacy for generations.

I understand that the stringent schedules of year end examinations must be demanding and exhausting. You may experience anxiety and fear. But you must not let these stop you. You must continue despite the obstacles. You are capable and have all the required tools to succeed. You have to believe that you can and you will reach the desired heights. The examinations are just the crossover bridge for you to move to the next level. Remember, Gold is refined in fire. As gold is purified in fire make it more valuable after it has passed through the intense heat, your true value and strength will shine through.

Wishing you all the very best

Vijayetha Agarwal

Associate Coordinator - CBSE - HS

Holistic Excellence

Activity done for 9th cbse -Biology

Blood grouping is the process of determining an individual's blood type based on the presence or absence of specific antigens on the surface of red blood cells. By doing this activity students get practical insights into concepts like genetics, immunology and heredity. Students developed hands-on experience by participating in blood grouping activities which helps students to develop laboratory skills and an understanding of medical testing procedures.

Holistic Excellence

SL Classes During Winter Break

Throughout the winter break, the school offered Special Learning (SL) classes for students who wished to catch up or reinforce their knowledge. These sessions were designed to provide personalized support in various subjects, ensuring that students could continue their academic progress during the break. The SL classes were an excellent opportunity for students to address individual learning needs, stay on track, and prepare for the upcoming academic assessments.

Holistic Excellence

"Constitutional Vibes: Celebrating Our Rights and Responsibilities!"

"On National Constitution Day, celebrated on November 26th, the students of Grade 9A were given an insightful lesson on their rights, duties, and responsibilities as citizens of our great nation. During their Happy English period, they explored the significance of the preamble and the foundational articles printed in their textbooks, which highlight the importance of fundamental rights and duties. Guided by their teacher, Dr. Teja Ravirala, the students took a solemn pledge to honor and uphold the values enshrined in our Constitution, fostering a sense of national pride and civic responsibility.

Core Values

Republic Day: Honoring Patriotism

On January 26th, the school celebrated Republic Day, honoring India's Constitution and its national heroes. The event included a flag-hoisting ceremony, cultural performances, and speeches that reflected the spirit of patriotism and national pride. Students commemorated the day with reverence, reinforcing the importance of democracy, unity, and diversity in India's journey towards progress and development.

Core Values

Annual Day – Dasamahotsav

From December 18th to 20th, the school celebrated its Annual Day, Dasamahotsav, a grand three-day cultural extravaganza. Students showcased their talents through dance, drama, music, and various artistic performances. The event brought together the school community to celebrate the achievements of students and the vibrant spirit of the institution. Dasamahotsav was a memorable occasion that highlighted the dedication and creativity of both students and faculty, leaving lasting memories for all.

Mindfulness and Well being

ILD Session on Perseverance – Grades IX and XI

On January 9th, students from Grades IX and XI participated in an ILD session on Perseverance. The session highlighted the importance of resilience, determination, and grit in achieving long-term goals. Through engaging activities and discussions, students learned valuable life lessons on overcoming challenges and staying motivated in the face of difficulties. The session aimed to inspire students to persevere in their academic and personal journeys.

Mindfulness and Well being

Engaging support systems:

The aim is to develop boarders holistically and prepare them for life beyond school. A culture of trust ensures respect, welcoming all with kindness. The environment fosters cooperation, tolerance, and compassion, preventing bullying. Structured study conditions support academic growth with guidance from tutors and houseparents. Boarders develop organizational skills for academics and extracurriculars while building responsibility for themselves, others, and the environment. Leadership and teamwork are encouraged, enabling students to contribute positively to the school and community. This approach equips them with essential life skills, confidence, and integrity for future challenges.

Stakeholder Engagement

Gaudium Run

On January 25th, the school hosted the Gaudium Run, an event that encouraged physical fitness, teamwork, and a spirit of community. Students, teachers, and parents participated in this fun-filled event, promoting health and well-being through exercise. The run was a great success, with participants showing enthusiasm and sportsmanship, and it reinforced the school's commitment to encouraging a healthy, active lifestyle.

Stakeholder Engagement

Trainings and Collaborations: Strengthening Skills

On January 17th and 18th, the school conducted training sessions and collaborations Subject Alignments across curriculum from Grade 1 to Grade 12 to enhance professional development among staff and students. The sessions focused on building leadership, communication, and teamwork skills, aimed at fostering a collaborative and dynamic school environment. These initiatives provided valuable opportunities for growth, ensuring that everyone was equipped to contribute positively to the school community.

Stakeholder Engagement

Road Safety Awareness

As part of year 10 celebrations, The Gaudium school also undertook creating Road Safety Awareness campaign. Grade XI students took up the road safety audit at the congested junctions of Kollur, Muthangi and Koradanur. This culminated in creation of a traffic park at the school and finally the safety run.

Global Leadership

Great Talks by British Council – Kings College London

The school hosted the Great Talks series by the British Council, featuring esteemed speakers from Kings College London. This enriching event provided students with valuable insights into global issues, higher education opportunities, and international perspectives. It was an exceptional opportunity to engage with thought leaders, broadening students' horizons and inspiring them to think critically about their future academic and career paths.

Global Leadership

Study Skills Workshop for Grade X

On January 10th, a Study Skills workshop was conducted for Grade X students by Ms. Sreedevi Gundapaneni. The workshop focused on effective study techniques, time management, and stress reduction strategies to help students excel in their academic pursuits. It provided valuable tools for improving concentration, note-taking, and exam preparation, empowering students to approach their studies with greater confidence and efficiency.

Global Leadership

Grade XII Field Trip to Shilparamam

On December 13th, Grade XII students visited Shilparamam, an ethnic village that showcases Telangana's rich cultural heritage. The field trip allowed students to experience traditional crafts, dance, and music. It provided a deeper understanding of local culture and history, making the learning experience both fun and educational. Students engaged in hands-on activities, exploring the region's artistic legacy while gaining valuable insights into India's vibrant cultural diversity.

Global Leadership

IAYP

The purpose of the camp was to foster teamwork, encourage personal growth, and develop critical thinking skills among the participants. It was designed to provide a balanced mix of educational and recreational activities that helped students enhance their social and emotional skills. The camp provided students with opportunities that will be instrumental in enhancing leadership skills and communication while overcoming personal fears and challenges

Global Leadership

Diplomathon: A Glimpse of Global Diplomacy

On December 7th and 8th, our school hosted the Diplomathon, an exciting event where students simulated real-world diplomatic discussions. Representing various countries, students engaged in mock negotiations, honing their skills in public speaking, problem-solving, and global awareness. The event provided an immersive experience, fostering teamwork and leadership among participants. It was a fantastic opportunity to delve into international relations while promoting critical thinking and diplomacy.
